BEAUTY IN

EVERY REFLECTION.

A tribute to the art of reflection — where light and design meet in perfect harmony. Each tile in this series embodies the essence of modern refinement, featuring a flawless glossy surface that enhances the depth, dimension, and character of every space it graces.

We're dedicated to crafting spaces that inspire, where style meets substance, and every detail is carefully considered. We're passionate about delivering exceptional quality and service, and we're committed to exceeding your expectations. Where style meets substance, we build homes that inspire. Elegance is not just a word, it's a promise.

WHERE ELEGANCE REFLECTS IN EVERY SURFACE.

The Glint Collection is a tribute to the art of reflection, where light and design meet in perfect harmony. Each tile in this series embodies the essence of modern refinement, featuring a flawless glossy surface that enhances the depth, dimension, and character of every space it graces. The collection captures the delicate balance between simplicity and luxury, turning minimal design into an expression of sophistication.

Engineered with precision and crafted through advanced glazing technology, these tiles redefine how light interacts with interiors creating soft, radiant highlights that bring walls and floors to life. Whether used in residential sanctuaries or elegant commercial spaces, the Glint Collection transforms the ordinary into something quietly extraordinary. It is not just about shine, but about the subtle play of brilliance that reflects your taste, your style, and your vision for timeless design.

THE ESSENCE OF GLOSS PERFECTION

WHERE **DIMENSIONS** SHAPE **DESIGN.**

The Glint Collection is available in the versatile size of 600x1200mm, thoughtfully designed to complement both compact and expansive spaces. Its elongated proportion not only enhances the visual flow but also creates a sense of openness and continuity across surfaces.

This large-format tile reduces grout lines, offering a cleaner, more seamless appearance that elevates the aesthetic of any environment. Whether used for floors or walls, in homes or commercial settings.

The 600x1200mm dimension adapts effortlessly to diverse design needs, delivering a balanced blend of functionality and modern sophistication.
